

EISCC Printing/Mailing Organizations							
November General 2020 Capacity							
Information Updated as of 4/6/2020							
Company	Type	Tabulation Relationship	Average Capacity	Normal Drop Dead Date	Max Capacity Nov 2020	Max Capacity Drop Dead Date	Notes
Absolute Print Solutions	Ballot	ES&S	Included in ES&S	Included in ES&S	Included in ES&S	Included in ES&S	
Adkins Election Services	Ballot	Unisyn	3.3 million		4 million +	April 30, May 30	April 30 for ordering paper, May 30 for hiring additional staff
Another Printer	Ballot						
Automated Ballot Concepts	Ballot		1 million	Before August for a November Election		July 1, but that depends - sooner for a larger jurisdiction.	The big timeline to keep an eye on is envelopes, and the envelopes need to be done 6-7 weeks ahead of time.
Ballot and Business Forms	Ballot						
Bend Printing	Mailing						
Cardinal Mailing Services	Mailing		Weren't doing elections in 2016		Won't Serve Outside HI		Equipment is going to be a big thing, but
Casto-Harris	Ballot	ES&S					
Cathedral Corp	Mailing						
CENVEO	Envelopes						

Clear Ballot	Tabulation	Clear Ballot					More about ballot groups & whether commercial printers have mailing capability - print order, folding, etc.
CSG	Ballot	Hart	5 million	60 days prior	600k per day	90 days prior	
ElectionIQ	Ballot	Unisyn	Were not printing in 2016	N/A	5 million VBM packets and 3 million paper ballots	June 1, 2020	
ElectionSource	Ballot & Mail						
ES&S	Tabulation	ES&S	28 million +	60 days prior to election	34 million +	August 1, 2020	
ESO	Ballot	Unisyn	Between 50,000 and 1.3 million	Depends on volume	1.8 million	April 15-May 30	
Frederic Printing							
Gran Frarnum Printing							Flagged that we should be thinking about paper as well, especially in more rural jurisdictions, where printers may be competing to get the stock that works with the scanners that counties use. Also flagged that for small printers, splitting up runs so that privacy envelopes/voter instructions are printed ahead of ballots.
Graphic Village	Ballot	ES&S	Included in ES&S	Included in ES&S	Included in ES&S	Included in ES&S	

Hart Intercivic	Tabulation	Hart					
HonBlue	Ballot						
Integrated Voting Services	Ballot

Redstone Print & Mail							formerly Response Technologies

Reprographics (aka Reprinting)	Ballot		900,000	14 days before receiving print files	A: 3.7 million B: 4.0 million C: 5.3 million	A: same 14 day B: July 15, 2020 C: July 15, 2020	Additional Notes: *** Ballot size can greatly affect capacity estimates *** Notes: * suggests physically local printers/mailers may help be more efficient * Reach out about envelopes, esp. multiple styles/colors needed - often need to be custom * Paper suppliers should be contacted early, too - another 60-day lead time potential. Printers/tab vendors should be contacting now to prepare for increased demand. Some paper is sourced overseas * Ballot size & contents can affect lead times
Runbeck Election Services	Ballot & Mail	ES&S, Hart			6-8 million	April 5, 2020	
Ryder Election Services	Ballot						
SeaChange	VBM		500,000 per day	99 days	5 million	July 27, 2020
