Statement of Election Center Board of Directors on the Resignation of CEO for Operations Joe Gloria

“Joe Gloria tendered his resignation effective November 30 to focus on his health and family and the Board of Directors has accepted his resignation.

Joe was named CEO for Operations for The Election Center in February 2023 after his distinguished service as Registrar of Voters for Clark County, Nevada where he served 1.2 million voters after being appointed to that position in 2013. Joe’s lengthy career in elections administration began as a voting machine technician in New Mexico, and he also worked in the areas of voter registration, poll worker training and as a supervisor.

He graduated from the Certified Election/Registration Administrator (CERA) program in August of 2015 and is an inductee of the Election Center Hall of Fame.

We wish Joe the best of luck in his well-earned retirement.”
